

Art's "Hot Prospect" List

THE MOST RESPONSIVE MAILING LIST AT "DIRT CHEAP" PRICES!

Special Discount Prices for *Art's Cash Flow System* members!

I don't claim My List is only 90-days old... or 60-days old or whatever. You've heard that same old "song and dance" from other Lead Dealers. My mailing lists on Peel-n-Stick labels are CLEAN!

I provide mailing lists for Network Marketers and other Home Business Professionals who wish to build their business by mailing Postcards or Flyers. Each name on my list has personally been mailed to or has requested home business information from me. I delete every "undeliverable" address to **constantly "clean out" of any bad addresses!** Which means you get the "cleanest", most responsive list available! And I sell my lists at "dirt-cheap" prices!

Will you still get "nixies" with my list? Of course you will... because we live in a very mobile society, people pass away, etc. But because my mailing list is continually "cleaned"... you receive fewer "undeliverable leads" than with most other lists on the market. **This makes your marketing efforts much more cost effective.** And if you do have an "undeliverable lead"... simply return the complete mailing piece to me (envelope or postcard)... and I'll replace the lead 3 to 1!

I don't manage Millions of Leads. **I have a very select list of Several Thousand Leads that increases and is "cleaned" on a daily basis!** If you're serious about Home Business Success... you need to give my lists a try. And why not... they're some of the Least Expensive Lists in the Industry!
