

# Advertising Co-op!

You can have the best Home Business Opportunity in the world, but if you don't have people reviewing your program, you're never going to make any money! To build your NMplus business you need a consistent flow of eager prospects!

Mailing postcards or flyers is an easy way to build your business... but to be successful, you MUST remain consistent in your efforts! The sad reality is that most network marketers Are Not consistent in their marketing efforts, which hinders the growth of their business.

With the above information in mind, I have developed the **NMplus Advertising Co-op**.

- ⇒ **I pool together the money of each participant and place ads in home business magazines and other advertising sources.**
- ⇒ **When the requests for information arrive, I split them equally among Ad Co-op participants in a "round robin" fashion.**
- ⇒ **I send the prospects a complete Professional Information Pack, with the Co-op participants Name and Address in position #1. When that new member joins... the Cash and Stamps are sent Directly to You as the Co-op Participant!**

As with any advertising, I cannot guarantee the number of responses you'll receive or how many, if any, new members you'll receive. No honest advertiser can make such a guarantee. But I can guarantee that I'll consistently pool together Advertising Co-op funds and place the best ads possible in the best advertising sources available.

Joining the NMplus Advertising Co-op is an easy way to stay consistent in your marketing efforts, and the cost is only **\$100 per month**. This is set up on a Monthly Auto-Pay schedule, which can easily be cancelled any month, at least 7 days before your cards charge date. To get started simply complete the form below and send it in.
